tion of the County Council was passed by an absolute majority of such Council on the seventeenth day of February, one thousand eight hundred and seventy-one, to the effect that the block of land, as recommended by the Report of the Committee on Southern Settlements, be set apart and reserved for the purpose of establishing a special settlement under Part II. of "The Westland Waste Lands Act, 1870": And whereas another resolution of the said Council was passed by an absolute majority of such Council on the sixteenth day of August, one thousand eight hundred and seventy-one, to the effect "That in the opinion of this Council it is desirable that Blocks Nos. 2 and 3, south of the Mikonui, be set apart under section seventy-eight of the 'Westland Waste Lands Act, 1870,' as special

And whereas by sub-section A. of the said seventy-eighth Section mentioned, it is provided that the Chairman of the County Council may cause town, suburban, and rural allotments, respectively, to be laid out in each of the said settlements so constituted and set apart as above:

And whereas by "The Province of Westland Act, 1873," it is, among other things, enacted that all powers at the time of the first election of a Superintendent of the said Province vested in the Chairman of the County Council of the County of Westland, either solely or with the advice or on the recommendation of the County Council of the said County, except such powers as are contained in the parts of the Acts repealed by the said "Province of Westland Act, 1873," shall, within the Province of Westland, so far as applicable to the circumstances of the said Province, be vested in the Superintendent of the said Province:

Now therefore, I, James Alexander Bonar, Superintendent of the Province of Westland, do hereby proclaim and declare that the land described in the Schedule hereto, and situated in Special Settlement Block I., is set apart and reserved as a site for a town within the meaning of the said seventy-eighth Section mentioned.
